**Guidelines for Vice Chancellor Research Promotion Scheme for Full Time
Research Students in the University Schools/Institutes.**

A) BACKGROUND

Senate resolution regarding award/Prize under “Research Motivation on Campus” for publication of research papers in the national/international research journals and/or publication/grant of patent by the registered Full Time Research Students from the University Schools/Institutes on the Campus.

B) OBJECTIVE

The objective behind introducing this award is to recognize the importance of the published research work and also published/granted patent by the research student and to motivate the individual to achieve excellence in research.

C) GUIDELINES

- 1) The cash award will be given to **Full time Research Students** on the Campus in recognition of importance of the published research work & published or granted patent and to motivate and achieve excellence in research.
- 2) Only papers having the research **student’s affiliation to School/Department/Institute of KBCNMU Campus** are considered for Research and Patent Awards.
- 3) The award will be granted to the journal papers published in each year (1st January to 31st December), published with Digital Object Identifier (DOI) or vol., issue, no. pagination and month/year of publication.
- 4) Only Publications listed in **SCOPUS/WoS/SCI/SCIE/SSCI/ABDC/ABS/AHCI** Journals with impact factor (impact factor by Clarivate/Thomson Reuters Only) one or above are considered for the awards. The latest list of SCI/SCIE/SSCI indexing and impact factor by Clarivate are applied for deciding the indexing and impact factor of the journals.

- 5) **Journal quartiles** provide a **more granular view** of journal's standing and allow to gauge its influence compared to others **within the same category**. It is widely employed in academic databases and indexing services to assist researchers in assessing the quality and impact of journals. Thus, journal quartile and ranking (JCR/SJR) **can be used (like Q1 and Q2 Journals) as a basis for selecting the quality publications** in the same category.
- 6) Journal papers with complete information (DOI, vol., issue, no. pagination and month/year of publication) are only considered for award. The date when the final version of the paper appears/published online with complete citation information as mentioned is considered as the date of publication of the paper.
- 7) The publications made in the journals, **which seek publication fee** in any form **except overlength charges are not considered** for cash awards (irrespective of the listing in the publication agencies specified in the above indexing lists).
- 8) If at the later stage, the publication is withdrawn or retracted due to some reason the research student must return the award (money as well as certificate).
- 9) The **"Patent Publication Award"** will be granted to Indian/International patent filled and published in each year (from 1st January to 31st December), published along with Application number, Date of Filing, Date of Publication, Title of Invention.
- 10) The **"Patent Grant Award"** will be granted to Indian/International patent published and granted in each year (from 1st January to 31st December), published along with Application number, Date of Filing, Date of Publication, Grant, Certificate.

11) AWARD/PRIZE MONEY

Award Categories: Following are the categories for the research and patent awards:

A) Research Publication Award:

A **cash prize of Rs. 5,000/-** (Rupees Five Thousand only) is awarded for each eligible publication along with certificate of merit. If the researcher has more than one publication eligible for award then he/she will be eligible for maximum cash prize of Rs. 10,000/-.

B) Patent Award:

a) “Patent Publication Award”:

A **cash prize of Rs. 2,000/-** (Rupees Two Thousand only) is awarded for each eligible patent publication. If the researcher has more than one patent publication eligible for award, then he/she will be eligible for maximum cash prize of Rs. 10,000/-.

b) “Patent Grant Award”

A **cash prize of Rs. 5,000/-** (Rupees Five Thousand only) is awarded for each eligible patent granted.

12) The **prize money** shall be given only to the first student author for that paper/patent. Only the authors from KBCNMU are eligible for the awards.

APPLICATION PROCESS

An application form in the **format** (provided by **Innovation, Incubation and Linkages Cell, KBCNMU**) is to be filled in by Research Scholars for applying for the award. The Application form shall be duly verified by Director/HOD and Research Guide and submitted to the IIC Cell (Address below) along with all the requisite documents by 31st January of the succeeding year.

The Director,
Innovation, Incubation and Linkages Cell,
Kavayitri Bahinabai Chaudhari North Maharashtra University,
Jalgaon - 425001

SELECTION PROCESS

A University level **Screening Committee** comprising of **Director (IIL/IQAC) and three Directors/HODs/Professors** shall be nominated by Hon'ble Vice-Chancellor to review the applications. The Committee shall declare the list of research scholars eligible for Research awards with **approval of the Vice Chancellor**. The expenditure on "Award for Full time Researcher Scholars of the University" will be met under the Head "**Research Motivation on the University Campus**"

Grivences

In case of any dispute committee decision will be final.
