To
The Principal / Director
आयक क.
Subject: Seeking Nomination of 4 Teachers (Post Graduate & Under Graduate Courses) for participation at 2nd annual edition of National Teachers' Congress (2nd NTC) scheduled on 10, 11 & 12 January 2018, at MIT World Peace University, Kothrud, Pune.

Dear Principal / Director,
You may recall, **National Teachers Congress (NTC), Pune, India**, held its first 3-day annual discourse on September 23, 24 & 25, 2016, with the active support from **Government of Maharashtra**. The **Chief Minister of Maharashtra** is the **Chief Patron** of this platform. It is also supported by **All India Council for Technical Education (AICTE)**, **Association of Indian University (AIU)** and the **UNESCO Chair of Human Rights, Democracy, Peace & Tolerance, Pune**.

The platform remains committed to inspire the teaching community of under-graduate and post-graduate colleges of India. Due to wholehearted support from many of you, the **1st National Teachers' Congress** attracted participation from about 5000 teachers. They were exposed to extensive deliberations and dialogue for 3 days. They not only contributed immensely on several issues but also reinstated their vital role in building India's future.

The **second annual edition of National Teachers' Congress (2nd NTC)** will be held on **January 10, 11 & 12, 2018**, at the **MIT World Peace University, Kothrud, Pune**. While even greater number of University teachers from India are expected to participate, about 1000 Indian university teachers, living in foreign countries, will also participate in this unique discourse and share their experiences with their contemporaries in India. This fusion of gifted minds should be able to shrink the damage our country has experienced due to brain-drain. This will also help in globalization of Indian education as well as in evolving a better and enriching education system in India.

Considering the importance of the proposed discourse, we would like to appeal you to nominate 4 spirited teachers (preferably under the age of 50) to participate at the 2nd NTC and reap its abundant benefit. We will welcome if, as the head of the institute, you wish to nominate yourself irrespective of the age limit.

With best regards,

To, Development,

DBS

Subject: Subject: Nomination of Teachers to participate at 2nd annual National Teachers' Congress (NTC) scheduled on 10, 11 & 12 January 2018, at MAEER's MIT World Peace University, Pune.

Dear Vice Chancellor/Director,

The 2nd annual National Teachers' Congress (NTC) is being organized on 10, 11 & 12 January 2018, at MAEER's MIT World Peace University, Pune. This is supported by the Government of Maharashtra for the merit, prospects and impact it holds for reinstating teacher's vital role in building the nation.

The objective is to inspire the teaching community of under-graduate and post-graduate colleges. At its very first annual conclave, about 5000 teachers from all parts of India, gathered and were exposed to extensive deliberations for 3 days. They contributed and benefitted immensely from the deliberations on several issues of national significance.

In its second annual edition, about 8000 teachers from Post Graduate & Under Graduate colleges of all streams and disciplines from India and 1000 teachers of Indian origin living outside India, are expected to participate. Indian teachers from abroad will share experiences with their contemporaries in India.

Considering the importance of the proposed discourse, it is suggested that Principals of affiliate colleges of your University, nominate 3 to 4 spirited teachers from each college to participate at the 'Congress' and reap its abundant benefit.

For further information or clarification the Founder & Chief Convener of the platform, Shri. Rahul V. Karad can be directly contacted on 9881721353, 8888815424//25 and on email ir@nationalteacherscongress.com. The website www.nationalteacherscongress.com can also be referred for detailed information.

With best regards,

Yours sincerely,

(Prof Furqan Qamar)
