

No. NMU/5065/77/2018

Date: - 02/07/2018

To,
Principal/Director,

Sub: Faculty Development Programme for C/C++ teaching faculties...

Ref: MOU with Quick Heal Foundation, Pune

Dear Sir/Madam,

Quick Heal Foundation is a 100% non-profitable, independent entity of Quick Heal Technologies Limited and was incepted in August 2014 as per schedule VII under Company Act 2013. The foundation has been working with several verified nonprofit organizations to accomplish its objectives of giving back to the community.

North Maharashtra University has signed MOU with Quick Heal Foundation (QHF), Pune. According to the MOU, QHF will conduct a "Quick Heal Faculty Connect" programme for the selected faculties of NMU area and it will be a two-days Faculty Development Programme (FDP) on "**Industry level C and C++ programming**".

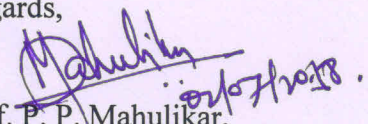

This FDP for faculties (UG as well as PG) in NMU region is scheduled during 12 and 13 July, 2018 at the North Maharashtra University, Jalgaon. The focus of the proposed training is to orient the faculty towards the needs of IT industry while teaching C and C++ programming languages. The detailed agenda of the two days training is attached herewith. The resource person from QHF shall conduct the training.

The registration fees for each faculty for the two days of FDP is Rs. 300/- only and accommodation arrangements are also available at the nominal charges.

This is to request you to nominate two faculty members who teaches C/C++ from your college to participate in this FDP. Please send the names till Monday (July 9, 2018). Also note that limited number of participants are allowed in the FDP.

For further details, you can contact to Dr. Manish R. Joshi or Dr. Varsha Pathak.

Regards,

Prof. P. P. Mahulikar,
Pro-VC,
North Maharashtra University, Jalgaon
