GIAN Course on *Foundations of Mixed Methods Research* during April 15-24, 2019 at IIM Indore

P-V

Greetings from IIM Indore!

Indian Institute of Management Indore is conducting a course on **Foundations of Mixed Methods Research** during April 15-24, 2019 under GIAN. This course is under Government of India's new programme GIAN in Higher Education aimed at tapping the talent pool of scientists and entrepreneurs, internationally to encourage their engagement with the Institutes of Higher Education in India so as to augment the country's existing academic resources, accelerate the pace of quality reform, and elevate India's scientific and technological capacity to global excellence. This course is aimed at enabling participants to enhance their research expertise and developing a focused approach to conducting mixed methods research.

An international faculty, **Dr. Lakshmi S. Iyer**, Professor of Information Systems & Director of the Applied Data Analytics Graduate Programs at the Walker College of Business, Appalachian State University and IIM Indore faculty will be conducting the course. The course registration fee is as follows:-

Industry/Research Organizations	Rs.10,000/-
Faculty/ Academic Administrators	Rs. 7000/-
Research/Academic Associates/Research Assistants	Rs. 6000/-
Doctoral/ Post-Doctoral/Post-Graduate Students	Rs. 5000/-
Participants from abroad	US\$ 250/-
