## ABOUT BHARATIYA CHHATRA SANSAD INDIAN STUDENT PARLIAMENT

Mahatma Gandhi, our Revered Father of the Nation, once imparted the timeless wisdom, **"BE THE CHANGE YOU WISH TO SEE."**

In contemporary times, we frequently discuss the transformations we desire in governance, yet often fall short in contributing where it is most needed. The realization of a government that authentically represents the resurgent youth of India may seem distant unless motivated, educated, and equipped young men and women actively engage in political and democratic processes.

The Bharatiya Chhatra Sansad stands as a pivotal institution, both in Bharat and across the globe, playing a vital role in reshaping the mindset of the youth and stoking their passion for entering public life through politics. Their goal is distinctly aimed at serving the nation. Importantly, this movement remains steadfastly apolitical and refrains from engaging in mainstream party politics. Instead, it serves as a catalyst for transforming the perspective of the youth, reaffirming their faith in democracy and its institutions. It bolsters their participation, interest, accessibility, and influence in political and democratic avenues. Furthermore, this platform effectively bridges the gap between political parties and the aspiring youth eager to choose a career in politics with unwavering commitment.
