### Guidelines for accessing LMS on University Intranet

**STEP 5:** After clicking on the Courses link it will be shown as below.

The screenshot shows the LMS interface for Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The header includes the university logo, name, and login fields for Username and Password. The main content area is titled 'Courses' and features a search bar with a 'Go' button. Below the search bar, a list of course categories is displayed with expandable arrows: Science and Technology, Commerce and Management, Humanities, Inter-disciplinary Studies, DEEL, and Miscellaneous. On the right side, a 'Navigation' menu is visible, showing links to Home, Site announcements, and the expanded 'Courses' menu. The footer contains the copyright notice 'Copyright 2019 by KBCNMU, Jalgaon' and a link to 'Get the mobile app'.

This screenshot shows the same LMS interface as the previous one, but with the 'Courses' menu expanded. The 'Expand all' button is now 'Collapse all'. The expanded 'Courses' menu on the left lists the following categories and their sub-items: Science and Technology (School of Chemical Sciences, School of Computer Sciences, School of Environmental & Earth Sciences, School of Life Sciences, School of Mathematical Sciences, School of Physical Sciences, University Institute of Chemical Technology), Commerce and Management (School of Management Studies), Humanities (School of Arts and Humanities, School of Language Studies and Research Center, School of Social Sciences), Inter-disciplinary Studies (School of Education, School of Thoughts), DEEL, and Miscellaneous. The 'Navigation' menu on the right remains the same. The footer is identical to the previous screenshot.

➤ Under each school there are two sub-categories:

1) Practice Tests

2) Study Material

1. **Practice Test** contains MCQ based test on the respective subject, which the user can attempt any number of times. The score will be shown to the user as soon he/she finishes the test.

2. **Study Material** contains study material for the respective course in the form of video lectures, PDF, Word, PPT presentation etc.

The screenshot displays the LMS interface with a search bar at the top left and a navigation menu on the right. The main content area is divided into two sections: 'Practice Tests' and 'Study Material'. The 'Practice Tests' section lists 20 MCQ-based tests across various subjects like Agricultural Microbiology, Applied Molecular Biology, Fermentation Technology, Pharmaceutical Microbiology, Molecular Biology and Bioinformatics, Applied and Environmental Microbiology, Immunology, Microbial Enzymology, Bio-Instrumentation, Microbial Diversity, Elective Course Under Choice Based Credit System, Industrial and Business Biotech, Bioinformatics, Food and Pharmaceutical Biotech, Advanced Environmental Biotech, Plant Biotechnology, Recombinant DNA Technology, Biostatistics, Biomolecules Molecular Enzymol, and Microbial Diversity and Physio. The 'Study Material' section lists two items: 'General aptitude MCQs in CSIR-UGC NET Paper' and 'Heavy metals in biology and their analysis using AAS'. A 'View more' button is located below the 'Practice Tests' list. The navigation menu on the right includes 'Home', 'Site announcements', and 'Courses' with sub-categories like Science and Technology, Commerce and Management, Humanities, Inter-disciplinary Studies, DEEL, and Miscellaneous.
