Teaching Associateship Programme (TAP)

Preamble

The University was established on 15th August 1990 as per the Maharashtra Government notification no. UNM 1489/8233-uni-3-Cell; dated 14th August 1990. The University has taken active steps to impart instructions to the graduates and postgraduates in several disciplines on its campus as well as its affiliated colleges and taken initiatives to create research niche on the basic and interdisciplinary areas of science. The healthy research ambience is reflected through funding received from various funding agencies for research and publication of research papers in journals of national/ international repute.

The present quantum of research output is possible due to: (a) R and D grants received from various funding agencies, (b) receipt of Research Fellowship in Sciences for Meritorious Students (RFSMS) under UGC-BSR Scheme, (c) adoption of good research practices and (d) revenue generated through consultancy services.

However, the enrolment of student for Ph.D. degree has been decreasing during last 2 - 3 years due to: (i) shortfall in grants received from funding agencies and decrease in number of fellowships, (ii) superannuation of teachers and (iii) non-recruitment of teaching posts. As a result, the research output is witnessing a declining trend. Hence, it is very much necessary to reboot the research activities and, in turn, research output, by adopting a multipronged strategy. The TAP is one such step in that direction. It aims at not only catalyzing the research activity but also improve the teaching as well as communication skills of Ph.D. students.

Objectives

The main objectives of the programme are:

- (a) To provide financial support to deserving, registered and regular Ph.D. students (who are not receiving any other fellowship) In the science and technology schools on campus to motivate and rededicate themselves for quality research.
- (b) To explore teaching opportunities to the regular Ph.D. students in order to improve their teaching and communication skill. The programme shall be known as **‘Teaching Associateship Programme’ (TAP)**.

Eligibility

- (i) The research student shall be a registered, full time regular student admitted to Ph.D. programme offered by the University as per revised notification 1/2017 w.e.f. April 2017.

- (ii) He/She shall not be a recipient of any other fellowship (government or private) or any other type of financial assistance.
- (iii) The research students who have successfully completed one academic year of full-time doctoral study in the school/ institute shall be given preference.

Emoluments

- (i) The awardee under TAP shall be entitled to receive a consolidated fellowship of Rs. 14,000/- (Rs. Fourteen Thousand only) per month from University fund. (as per M.C. Resolution No. M.C.- A-106/2024 dt.19/06/2024)
- (iii) No contingent grant is admissible in the scheme.

Tenure

- (i) The tenure of Teaching Associate shall be initially fixed for **One** year extendable up to three years based on annual performance review as mentioned in (ii) below.
- (ii) The tenure can be extended for SECOND and THIRD year based on (a) publication of at least one research paper in indexed journal, (b) participation in Avishkar and (c) recommendation of the Director of the School regarding Associate's performance in teaching and participation in other curricular and co-curricular activities of the school to be evaluated by the committee constituted by Vice Chancellor of this university.
- (iii) Tenure of Teaching Associate shall be terminated for indiscipline or scientific misconduct or unsatisfactory performance evaluated by the committee constituted by the Vice Chancellor of this university.

Number of Associates

Initially, TAP shall be introduced in the School of Chemical Sciences, School of Life Sciences, School of Environmental and Earth Sciences, School of Physical Sciences, School of Computer Sciences, School of Mathematical Sciences and University Department of Chemical Technology. Two Teaching Associate shall be allocated to each School/Institute mentioned above.

Application procedure

- (a) Applications from desirous and eligible students under TAP shall be invited by the Registrar through the University website. Applicants are required to apply online in prescribed proforma (Annexure – I) and submit the duly completed hard copy of the same along with required documents forwarded through research mentor/supervisor and Director of the School within prescribed date to the Pro-Vice Chancellor, KBCNMU, Jalgaon.

- (b) Selection under TAP shall be made through Walk-in-Interview on a duly notified date. Applicants shall bring along original copies of documents in support of their candidature. The decision of the University shall be final in this case.
- (c) If the Teaching Associateship awardee fails to join within a stipulated time, then candidate on waiting will be considered.

Basic obligations

- (a) The applicant must be a full-time researcher with regular attendance ensured by the respective guide and school.
- (b) The Teaching Associate must contribute 10 hour/week (preferably lab courses) in the teaching programme of school to which he/she is affiliated. He/She is also expected to contribute in the co-curricular activities as assigned by the Director of the School/Institute.
- (c) The Teaching Associate shall not accept/hold any other position, paid or otherwise, or receive emoluments, salary or stipend, etc. from any other sources during the tenure. If any other fellowship/scholarship is sanctioned to the awardee, then he/she should resign from Teaching Associateship immediately.
- (d) In case, Teaching Associate desires to discontinue the fellowship prior to completion of the tenure on attainment of original objectives of research/receipt of other fellowships, he/she must submit the resignation to the University through his/her guide and Director mentioning specific reason(s).
- (e) Teaching Associate shall correspond with University only through guide and Director of the School during the tenure.
- (f) Teaching Associate shall keep University informed about his/her submission of thesis, publication of any research during the tenure of doctoral studies and must acknowledge the support received under TAP in them.
- (g) Teaching Associate is liable to be terminated in case of misconduct and unsatisfactory progress of research work or the non-eligibility of the awardee found at a later stage.

Review of Teaching Associate

The TAP shall be reviewed by the committee appointed by the Vice Chancellor at the end of every year of its operation.
